For Sale : **€ 80,000**

Description
Olive trees already grow across this generous field, a sign of fertile ground in a setting rooted in authentic Cypriot village life. Here in Potami, 5426 m² of residential land offers room to plan a family home with plenty of space around it.

The field has a regular shape and a sloping surface. The ground can be cultivated, so the olives can remain part of daily life alongside your plans for a home.

Everyday needs are close at hand. The village centre, schools, supermarkets, shops, cafés and restaurants are all a short drive away, as is neighbouring Astromeritis. Main roads are also a short drive away, making travel further afield straightforward, while the village keeps a slower pace and a close-knit community.

This is a spacious piece of residential land with olive trees, waiting for a home of your own.
