Description
Set within the village of Pedoulas, a short drive from its centre and close to the village school, this field covers 10,034 m² of sloping, irregularly shaped ground. Most of the land is zoned for agricultural use, suited to farming or planting, while part of it lies in a residential zone. A pathway crosses part of the land.

The neighbouring villages of Moutoullas and Kalopanagiotis are a short drive away, and the main roads are a drive away. It is a sizeable field that combines farmland with a residentially zoned part in one plot.
