Description
Parks and green spaces lie within walking distance of this level residential field for sale in Avgorou, where traditional village charm sits alongside everyday convenience. It offers room to picture a home of your own, set within authentic Cypriot village life.

The land is generous at 7449 m², rectangular in shape and even underfoot, a simple, well-proportioned canvas for planning a family home. It has direct road access, so getting in and out is straightforward from the start.

Life here stays easy. Restaurants, cafés, the village centre and public service offices are a short drive away, as is the local community stadium, while schools, supermarkets and shops are within easy reach. Neighbouring Xylofagou and Liopetri are a drive away, and the Larnaca to Agia Napa motorway brings the wider coast and the bigger towns comfortably close.

This sale is for a one-half share of the field. What remains is an uncomplicated stretch of residential land with green space on the doorstep and Avgorou's slower pace and close-knit community all around it.
