For Sale : **€ 64,000**

Description
Set in a tranquil and beautiful natural environment, this field on the market in Kalo Chorio Oreinis, Cyprus, offers a generous stretch of land and a slower pace of life. It sits in the hills of the Nicosia district, where authentic village surroundings and open landscape take the place of dense urban development.

The land is largely zoned for residential use, so a home here is a natural fit, with the remaining part set aside for agriculture. It has direct road access. Its shape and gently uneven ground follow the lie of the countryside around it.

Everyday life stays within easy reach. The village centre, schools, a supermarket, restaurants and cafés are all a short drive away, as are the neighbouring villages of Klirou and Malounta. Nature lovers will find Mitsero mines Lake close by, and main roads lead on towards the wider region.

This sale is for a half share of the land. What stays with you is the setting: quiet hills, authentic Cypriot village life and room to breathe.
