Description
Ancient Idalion lies within walking distance of this family house for sale in Panagia Evangelistria, Dali. It sits in an established residential neighbourhood with schools right on the doorstep and healthcare close by. The town centre, supermarkets, cafés and restaurants are all a short drive away.

Inside, 225 m² of living space is arranged with day areas on the ground floor and the bedrooms upstairs, a natural split between daytime living and rest. A 32 m² covered veranda sets the scene for morning coffee outdoors and long evenings in the Mediterranean air. A sizeable auxiliary building adds useful extra space. The land is flat and has direct road access.

Dali has a settled, neighbourhood feel, and the motorways to Nicosia, Larnaca and Limassol are a short drive away, so the rest of the island is within easy reach. Chalkanoras Stadium is also within walking distance for match days and weekend outings.

This sale is for a one-sixth share of the property.

Here is a home to put down roots in, with history, schools and everyday convenience all around it.
