

For Sale, Land, Field, Famagusta, Paralimni, 5,599m²

On the edge of Paralimni, a short drive from the town centre...

For Sale : **€ 60,000**

Description
On the edge of Paralimni, a short drive from the town centre and the open water of Paralimni Lake, this industrial field sits within one of the busiest and most lived-in towns in the Famagusta district. Everyday essentials are close at hand, with shops, supermarkets, cafés, petrol stations, medical centres and public service offices all within easy reach.

The land covers a generous 5599 m² with an even surface and an irregular outline. Its industrial zoning points to business use, giving a sensible base for a working enterprise in a town that stays active all year. Neighbouring Sotira is also a short drive away, along with schools and the Tasos Markou Stadium, so the surroundings are well served and familiar to anyone who knows this corner of Cyprus.

For a field in Paralimni, the appeal is simple and honest: level ground, industrial use and a location woven into the life of a thriving town. This sale is for a half share of the land.

A no-nonsense opportunity, set close to the lake and the heart of Paralimni.
