For Sale : **€ 59,000**

Description
Village life at its most authentic sets the tone for this residential field on the edge of Klirou, a community with a strong local identity and an easy, unhurried rhythm. The village centre, schools, shops, cafés and everyday services are all a short drive away, so daily life stays simple and close to hand. Neighbouring Malounta and Kalo Chorio Oreinis are just around the corner. The land covers a generous 8,361 m² on residential land, a setting suited to a home in the countryside. It has a gently sloping, irregular shape that follows the natural lie of the landscape, and it enjoys direct road access. Beyond the village, the outdoors is never far. The Perátis nature spot is a short drive away, and Mitsero Mines Lake makes an easy outing when you want open water and walking routes. Main roads are within reach, with motorway connections in the wider region for trips to the city or the coast. This sale is for a one-third share of the field. What remains is a rare kind of ease: room to breathe, a landscape-led setting and the authentic side of Cyprus right on your doorstep.
