For Sale : **€ 60,000**

Description
Set in a quiet and beautiful corner of Gourri, this semi-detached house dates from around 1945 and carries the easy charm of authentic Cypriot village life. Restaurants and cafés sit right on the doorstep, and the traditional villages of Fikardou and Lazanias are only a short drive away.

The main living space is on the ground floor, with two bedrooms and a bathroom across a comfortable 130 m². Below, a semi-basement serves as an auxiliary space for storage or practical everyday needs. It is an honest, unpretentious home with your own front door and a strong sense of place.

Life here moves at a slower pace. Local services and amenities are close by, and parks and green spaces are within easy reach. A little further afield, Kionia peak and the ancient site of Tamassos offer walks and history for weekends. Schools, a medical centre and main roads are all a drive away.

This sale is for a half share of the property. For anyone drawn to traditional village charm in the Nicosia countryside, this Gourri house offers a character-filled place to put down roots.
