For Sale : **€ 60,000**

Description
Flat, open and set within the village of Palaiometocho, this residential field offers a straightforward starting point for a family home within easy reach of Nicosia. Its residential zoning points clearly towards a home, and the level ground keeps plans uncomplicated.

Daily life is well covered here. Schools, supermarkets, cafés and medical centres are all a short drive away, along with the village centre and public service offices. A sports venue sits right next door, and the nearby motorway junctions make journeys into the capital and across the island simple. When you want greenery, the Lefkovounos nature area and a local park are also close at hand.

The land enjoys direct road access and a practical, well-proportioned shape that lends itself to thoughtful planning. This sale is for a half share of the land.

Authentic village surroundings, everyday convenience and level residential land a short drive from the city: an appealing balance of location, function and flexibility in one of Nicosia's most liveable villages.
