Description
Parks and green spaces sit right beside this single-storey detached house for sale in Archangelos Anthoupoli, Lakatameia. Schools, supermarkets, cafés and restaurants are all within walking distance, in an established suburb with a neighbourhood feel where everyday errands rarely need the car.

Inside, an open-plan living and dining area flows into the kitchen, giving the home a sociable heart. There are four bedrooms, including a master with its own en-suite shower room. A separate office, a family bathroom and a guest toilet help busy mornings run smoothly. A semi-basement adds a second kitchen and storage areas, extra room for a household that likes space to spread out.

Outside, covered terraces and a courtyard offer comfortable outdoor living on a generous plot of 576 m². The house dates from around 1990, and its upkeep is moderate.

A medical centre, the town centre, bus stations and the main roads are a short drive away, so the rest of Nicosia stays within easy reach. With everything on one level, outdoor space to enjoy and a park next door, this is a true family home in the heart of Lakatameia.
