Description
This field in Agios Epifanios Oreinis lies in an open countryside setting in the Nicosia district, away from dense urban development. The land covers 33,371 m² in total. Its surface is sloping and its shape is irregular. It has direct road access. The village centre is a short drive away, as are the neighbouring villages of Kalo Chorio Oreinis and Gourri, and a petrol station is within reach. The Astromeritis–Evrychou motorway lies in the wider region. This sale is for an eleven-twenty-fourths share of the field. It is a sizeable piece of countryside land with a road running along its edge.
