Set among the farmland of Frenaros, this agricultural field...

For Sale : **€ 45,000**

Description
Set among the farmland of Frenaros, this agricultural field covers 17,256 m² of even ground with an irregular outline. Its zoning is agricultural, so it lends itself to farming and planting. Along one boundary it meets government land. The village centre is a short drive away, and neighbouring Avgorou is also close by. The land has no direct road access. An obsolete structure stands on the field. The sale is a 1/2 share of the field. It is a sizeable, level piece of agricultural land in the Frenaros countryside.
