For Sale : **€ 43,000**

Description
Set within the town of Paralimni, this residential field sits a short drive from the everyday heart of the area. The town centre, schools, supermarkets, cafés and medical centres are all close at hand, while the coastal neighbourhood of Kapparis and the open landscape around Paralimni Lake are just as easy to reach.

The land is regular in shape with an even, level surface, and it has road access. Its residential zoning, which also allows for office use, gives a flexible starting point for a home or a workplace. Main roads and the Larnaca to Agia Napa motorway are a short drive away, so the rest of the island stays well connected.

For anyone following the Paralimni and wider Cyprus property market, a field in this setting brings together town convenience and the relaxed coastal lifestyle the area is known for. This sale is for a one-sixteenth share of the field.

Level ground and a well-connected address within Paralimni give this land a clear, practical appeal.
