For Sale : **€ 38,000**

Description
Close to the Tasos Markou Stadium and a short drive from the town centre, this residential field places you within the everyday life of Paralimni. The beaches of Protaras are also a short drive away, so a morning swim and an afternoon in town can sit easily in the same day. Paralimni Lake is close by for a quieter hour among nature.

The land covers 4,348 m² within a zone set aside for houses and offices, with room for a home on a sizeable piece of ground in a town that blends coast and community. The land has no direct road access.

For anyone drawn to Paralimni, this is a chance to hold a stake in a residential setting between the town and the sea. The sale is of a 1/6 share of the field.
