For Sale : **€ 165,000**

Description
Set in a tranquil and beautiful natural environment, this generous field for sale in Kapedes offers space to breathe and a real sense of escape from the pace of city life. Two neighbouring fields are sold together as a single unit, giving a combined 11,698 m² of residential land with a regular shape and a gently sloping surface. The land is reached by road.

The residential zoning points to a home in authentic Cypriot village surroundings, with room around it to enjoy the landscape. Restaurants, cafés, supermarkets and shops are a short drive away, as are the neighbouring villages of Kampia and Kataliontas. Schools and a petrol station are within a drive.

For time outdoors, the green shores of Tamasos Lake are close by. The motorways linking Nicosia, Limassol and Larnaca are within easy reach, so the wider island never feels far. Here a slower pace of life goes hand in hand with the generous space and calm natural setting that make this land so appealing.
