Description
Set in the Agios Nikolaos quarter of Lakatameia, this two-storey detached house brings family life and everyday convenience together, with schools and shops a short drive from the door.

The ground floor gives you a living room and a separate sitting room, so there is space to gather and space to unwind, along with a dining room for shared meals and a kitchen beside it. A laundry room, a storage room and a guest toilet keep daily routines running smoothly. Upstairs are four bedrooms, a bathroom and a separate shower room, which makes busy mornings easier, plus a further storage room.

Outside, a covered veranda and a courtyard offer a place to sit with a morning coffee or enjoy a slow evening at home. Built around 1990, the house has been kept in good condition, and its rooms feel comfortable and well proportioned for a household that likes room to breathe.

The sale is for a 4/16 share of the house. It is an inviting, well-kept family home in a residential part of Lakatameia, with the life of the town close at hand.
