For Sale : **€ 175,000**

Description
Green space on two sides and the everyday life of Latsia within easy reach: this level stretch of residential land in Agios Georgios offers a calm setting for a future home, in an established suburb with a neighbourhood feel. Restaurants, cafés, supermarkets and shops are all within walking distance.

The land is empty, with an even surface and a neat rectangular shape that keeps plans uncomplicated. It has direct road access, and its residential zoning points to a home of your own on this well-proportioned plot.

Daily routines are simple from here. Schools, a medical centre, parks and sports venues are a short drive away, as are Nicosia General Hospital and the open paths around Athalassa Lake. Motorway junctions and main roads are close by, and Strovolos and the wider capital are easy to reach. This sale is for a half share of the land.

A level, open plot that borders greenery, in a well-connected corner of Latsia.
