For Sale : **€ 50,000**

Description
In the village of Pedoulas, a short way from the Timios Stavros church, two neighbouring residential fields come together as one holding of 2,223 m². Village life is close at hand, with restaurants and cafés within walking distance, while the green expanse of the Troodos National Forest Park lies a short drive away.

The land is irregular in shape with a sloping surface. It fronts a public road, so it has direct road access. Its residential zoning gives room for a home within the community of Pedoulas.

Picture the life a home here could hold: an evening meal at a café you can walk to, and weekends spent among the trails and trees of the forest park. With neighbouring villages such as Moutoullas and Kalopanagiotis also a short drive away, the wider area is yours to explore.

A sizeable piece of Pedoulas, set in village surroundings, ready for you to imagine a home of your own.
