Description
This agricultural field in Nikitari offers 26,422 m² of farmland in an open countryside setting, a short drive from the village centre. The ground slopes gently and the parcel has an irregular shape, giving a generous area for farming or planting. The land has no direct road access. The neighbouring villages of Vyzakia and Pano Koutrafas are close by, and the Astromeritis to Evrychou motorway, petrol stations and main roads are all a short drive away. It is a sizeable, gently sloping piece of agricultural land in the Nikitari countryside.
