For Sale : **€ 37,000**

Description
Not far from Paralimni's town centre and the neighbouring village of Sotira, this large industrial field covers 8,513 m² in the Famagusta district. Paralimni Lake, the area's local nature spot, is close by as well, which adds a gentle touch of open landscape to the wider surroundings.

Industrial zoning gives the land a clear general purpose: business use, close to a town with its own everyday rhythm of schools, shops and cafés. The ground is irregular in shape and slopes, so any future plans would need to work with its natural contours rather than against them.

The land has no direct road access. The sale is for a 1/6 share of the field.

No frills, just substance: a sizeable stretch of industrial land in Paralimni, with the town, Sotira and the lake all nearby.
