For Sale : **€ 35,000**

Description
In the residential surroundings of Avgorou, a Famagusta village, this field lies within an easy walk of parks and green spaces, and a primary school sits close by. The village centre is a short drive away, so daily errands stay simple.

The land covers 4,760 m², with a regular shape and an even surface. It fronts a public road along one side, which gives it direct road access. Some obsolete structures stand on it.

The residential zoning leaves room for a home in village surroundings, with green space for an evening stroll just a walk away. It is an unpretentious, practical setting to start planning a life in Avgorou. The sale is for a 1/4 share of the field.

Level ground, a road along its edge and a village close at hand make this a grounded place to picture a home.
