Description
A generous, level field for sale in Panagia Evangelistria, Dali, on land zoned for residential use. Its 2741 m² form a neat rectangle with a flat surface, an uncomplicated canvas for picturing a family home with room to breathe.

Dali has the feel of a growing town that still keeps its village roots. Schools, supermarkets, cafés and restaurants are all a short drive away, as are the town centre and the public service offices, so everyday life stays easy. Chalkanoras Stadium is close by for match days, and the neighbouring communities of Nisou and Pera Chorio are within easy reach.

Main roads and motorway junctions are also a short drive from the land, putting the rest of Nicosia district within comfortable reach for work, family visits and weekends out.

Flat, well-proportioned and set in a residential part of Dali, this is land that lets you plan a home around the way you want to live, with the town's conveniences close at hand.
