For Sale : **€ 48,000**

Description
A sizeable sloping field in Agios Theodoros Soleas, set in an open countryside setting a short drive from the village centre. The land covers 31773 m², giving generous room for planting or farming in line with its agricultural zoning. Its shape is irregular, and the field has no direct road access. The neighbouring villages of Evrychou and Korakou are a short drive away, as are the main roads and petrol stations. This is a substantial piece of farmland in the Solea countryside around Agios Theodoros.
