For Sale : **€ 37,000**

Description
Village life sets the tone for this residential field in Liopetri. It sits close to the heart of the community, with restaurants and cafés within walking distance.

The land covers 4,662 m². It is rectangular, with a level, even surface, and fronts a public road, so it has direct road access. Its residential zoning points to a home, and the flat ground makes it easy to picture one taking shape here.

Around it, life keeps a familiar village rhythm. An evening coffee is a stroll away, and the schools and shops are a short drive off. Liopetri National Forest Park is also a short drive away when you want time outdoors. The sale is a 1/5 share of the field.

It is a level piece of residential land in a Famagusta village, with room for a home and the comforts of local life close at hand.
