For Sale : **€ 33,000**

Description
Within Paralimni municipality, with the town centre and the village of Sotira each a short drive away, this industrial field offers a generous stretch of land for business use. Its 11,744 m² follow an irregular outline across sloping ground, a site with its own lie of the land rather than a flat, uniform block.

Industrial zoning sets the course here: room for business and industrial activity in an established town. The Larnaca–Agia Napa Motorway and the area's main roads are within a short drive, connecting this part of Paralimni with the wider Famagusta district. Access to the field is by an unregistered road.

When the working day is done, Paralimni Lake is a short drive away, a green pause close to town. The sale is for a 1/8 share of the field.

A sizeable industrial field in Paralimni, with the town and the motorway within easy reach of the area.
