For Sale : **€ 30,000**

Description
Set among everyday village life, this ground-floor commercial building in Frenaros brings a tavern and a shop together under one roof. Restaurants, cafés, supermarkets and public service offices are all within walking distance, which places it close to the community it serves.

The tavern side has a dining area, a kitchen and restrooms. The shop has its own customer service area and restrooms. Covered terraces offer a pleasant outdoor space for warm evenings, and air conditioning keeps the interiors comfortable through the summer. The building stands on a generous plot of 821 m².

Sotira and Deryneia are a short drive away, as are medical centres and pharmacies. The motorway is within reach for suppliers and visitors from further afield.

This sale is for a one-quarter share of the property. With a tavern and a shop side by side in the heart of authentic Cypriot village life, it is an address with real character.
