Description
This field in Kokkinotrimithia, Nicosia, offers 7693 m² of agricultural land with an even, level surface. The shape is irregular, but the flat ground suits farming and planting, and it makes a straightforward piece of the Cypriot countryside to hold.

The land lies outside the village of Kokkinotrimithia in an open rural setting. Paliometocho and the motorway network are a short drive away. The field is landlocked and has no direct road access.

It is a generous, level parcel of farmland in the Nicosia countryside.
