For Sale : **€ 24,000**

Description
A level piece of land in coastal Paralimni, set in an established part of town where everyday life sits close at hand. The town centre, schools, supermarkets, cafés and medical centres are all a short drive away, and so are the local sports stadium and the open space around Paralimni Lake.

The field covers a generous 2466 m² of even ground. It lies within the town's residential area, a setting suited to a home, with the easy convenience of urban living around it. Its irregular outline gives the plot an honest, uncomplicated character.

Getting around is simple. Main roads and the Larnaca to Agia Napa motorway are within easy reach, and the seaside neighbourhood of Kapparis is only a short drive away for days by the water. The wider Famagusta coast, with its relaxed island lifestyle, is part of daily life here.

This sale is for a one-fifth share of the land. It is level ground on residential land in Paralimni, with the town, the lake and the coast all close by.
