Description
Everyday life is right on the doorstep here. Shops and supermarkets sit right beside this field in the coastal town of Paralimni. Cafés, restaurants, schools, pharmacies and the lively town centre are all within walking distance. It is an established setting with a real neighbourhood feel, where errands take minutes rather than an afternoon.

The land is level and regular in shape, with direct road access. It is set within the town's urban centre, and the general use of its zone points to a home in the middle of local life, close to everything Paralimni offers.

Beyond the town, the coast and countryside are close at hand. Paralimni Lake and the seaside neighbourhood of Kapparis are a short drive away, and quick links to the main roads and the Larnaca to Agia Napa motorway keep the rest of the island within easy reach.

This sale is for a half share of the land, corresponding to the empty part of the field. It is an uncomplicated plot in a central, well-served location, with the relaxed coastal lifestyle of the Famagusta district all around it.
