

For Sale, Land, Field, Nicosia, Klirou, 3,143m²

Klirou has the easy rhythm of authentic Cypriot village life...

For Sale : **€ 35,000**

Description
Klirou has the easy rhythm of authentic Cypriot village life, and this residential field sits within it, with the village centre, schools and everyday shops all a short drive away. Supermarkets, cafés, restaurants and a petrol station are close at hand, and the neighbouring villages of Malounta and Kalo Chorio Oreinis are only minutes further on.

The land itself is uncomplicated: a regular shape with an even surface, the kind of ground that is simple to picture and easy to plan around. Its residential zoning points to a home, set in a landscape-led setting away from dense urban development.

The countryside here is part of daily life. The nature spot at Perátis is a short drive away, and the lake at the old Mitsero mines makes a pleasant outing further afield. It is a part of Nicosia district where weekends can be spent outdoors and the pace of the week feels gentler.

This sale is for a half share of the field. For those drawn to the authentic side of Cyprus, a field in Klirou offers village character and a closer connection to nature, all within reach of everything the community provides.
