Description
An agricultural field for sale in Agrokipia, covering 15,534 m² of open countryside in the Nicosia district. The land has an irregular shape and a sloping surface. It is reached by dirt tracks and offers a versatile piece of ground for farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Agios Ioannis and Paliometocho. Main roads and the Nicosia–Deneia motorway are within driving distance. The setting around Agrokipia stays rural, away from dense urban development. This is a generous field of agricultural land with plenty of room to work.
