For Sale : **€ 35,000**

Description
For sale in Korakou: an agricultural field of 58,529 m² in an open countryside setting, a short drive from the village centre and the main roads. The neighbouring villages of Temvria and Evrychou, and local petrol stations, are also within easy reach.

The ground slopes and the field is irregular in shape. An access road leads to it. Overhead power lines cross part of the land. Its agricultural zoning suits farming or planting. This sale is for a one-quarter share of the field. It is a versatile piece of Korakou farmland with generous space to work.
