For Sale : **€ 16,000**

Description
Avgorou carries the easy rhythm of a Famagusta village. Parks and green spaces lie within walking distance, and the village centre, with its cafés and restaurants, is only a short drive away.

Within this community sits a residential field of 2,370 m², with a flat surface and an irregular shape. Its residential zoning gives it room for a home, and the level ground makes it easy to picture one taking shape here, with a morning walk among the village's green spaces as part of the daily routine. The land has no direct road access.

The sale is for a 1/3 share of the field.

This is flat residential land in Avgorou, where village life and green surroundings set the tone for whatever comes next.
