For Sale : **€ 36,000**

Description
Village life in the Nicosia countryside sets the tone for this residential field on the market in Klirou, Cyprus. The village centre, schools, supermarkets, cafés and restaurants are all a short drive away. Everyday errands stay simple, while the surroundings keep their authentic Cypriot character.

The land is generous in size, with an irregular shape and a sloping surface that follows the lie of the countryside. It has direct road access, and its residential zoning makes it a natural setting for a home of your own, designed around the character of the land.

Beyond the village, neighbouring Malounta and Kalo Chorio Oreinis are close at hand. The nature spot of Perátis is a short drive away, and the lake at the Mitsero mines lies a little further on. Main roads are within a drive, and motorway junctions in the wider region make trips into the city straightforward.

This sale is for a one-third share of the field.

A spacious stretch of residential land in Klirou, rooted in a setting with a strong local identity and a closer connection to nature.
