For Sale : **€ 33,000**

Description
A field of 16,289 m² in the village of Agios Theodoros Soleas, a short drive from the village centre. The land is agricultural and suited to farming or planting. It has an irregular shape and a sloping surface, and it has direct road access.

The neighbouring villages of Evrychou and Temvria are close by, as are the main roads and petrol stations, so the land is easy to reach from around the Solea area. This is a generous and versatile piece of agricultural land with plenty of room to cultivate.
