Description
A field of 9304 m² on agricultural land in Gourri, in the Nicosia district, suited to farming or planting. The ground is sloping and irregular in shape, and the field has direct road access, which makes it practical to reach and work.

The Gourri village centre is a short drive away, as are the neighbouring villages of Fikardou and Lazanias, with a petrol station a drive away and main roads in the wider region. This is a versatile piece of agricultural land in an open countryside setting.
