Description
For sale: a field in Kakopetria, offering 7693 m² of agricultural land in an open countryside setting. The ground is sloping and irregular in shape, and the land is reached by a dirt track. Its agricultural zoning makes it suited to farming or planting. The village centre is a short drive away, as is neighbouring Galata, with petrol stations and the main roads also close by for moving between the village and the wider area. This is a generous, uncomplicated piece of farmland in the hills of the Nicosia district.
