Description
An agricultural field for sale in Mitsero, covering 15385 m² of open countryside in the Nicosia district. The land has an irregular shape and a sloping surface, in a landscape-led setting away from dense urban development.

The Mitsero village centre is a short drive away, as are the neighbouring villages of Agios Epifanios Oreinis and Kalo Chorio Oreinis, with a petrol station close by. The main roads are a drive away, and the wider region connects to the motorway network towards Nicosia.

This is a generous piece of the Cypriot countryside, with 15385 m² of sloping ground.
