Description
Cafés, restaurants, supermarkets and shops sit right on the doorstep of this three-bedroom city apartment in one of Nicosia's most convenient neighbourhoods. Everyday errands become a short stroll, and both the city centre and the motorway are within easy reach.

Inside, 107 m² of living space gives three bedrooms room to breathe, with a practical layout that works for busy weekdays and relaxed weekends alike. A covered veranda of 10 m² adds a sheltered spot outdoors for morning coffee or an unhurried evening.

Schooling and wellbeing are well served here. The American International School in Cyprus is within walking distance, as are other schools, sports venues, medical centres and pharmacies. Parks, green spaces and neighbouring Strovolos are a short drive away.

Life in Agioi Omologites means having almost everything you need close at hand. This is apartment living with a true neighbourhood feel, with the whole of the capital right at your door.
