For Sale : **€ 8,000**

Description
Outside the village centre of Xylotymvou, in the Larnaca district, lies a large agricultural field of 31,505 m² with an even surface across its ground. It is set aside as a livestock field and is also well placed for cultivation. The land has an irregular shape and direct road access along one of its boundaries. The sale is for a 3080/32321 share of the field. This is level farmland with its own road frontage, in the countryside around Xylotymvou.
