For Sale : **€ 25,000**

Description
Set in open rural landscape away from dense development, this field of 12,375 m² sits in the countryside of Xyliatos, in the Nicosia district. The land has an irregular shape and a sloping surface. It has no direct road access.

The centre of Xyliatos is a short drive away, as are the neighbouring villages of Agia Marina Xyliatou and Agios Georgios Kafkallou. The Astromeritis–Evrychou motorway is a drive away. This is a generous piece of the Cypriot countryside, with its feet firmly in Xyliatos.
