For Sale : **€ 2,400**

Description
Open countryside on the edge of Ormideia, in the Larnaca district, sets the scene for this field of 9689 m². The ground is even and irregular in shape, and it is reached along a dirt track. The Larnaca to Ayia Napa motorway runs a short way off, so the village and the wider district are easy to reach.

This is an uncomplicated rural land purchase in a landscape-led setting away from dense urban development. This sale is for a share of the field. An open piece of Ormideia countryside, with level ground and good links to the main road.
