Village life in the Solea valley sits right on the doorstep...

For Sale : **€ 22,000**

Description
Village life in the Solea valley sits right on the doorstep of this residential field in Evrychou. Cafés, restaurants and the village centre are all within walking distance, and the local primary school is just a short stroll away, so everyday life stays simple and close to home. The land is zoned for residential use, offering the chance to plan a home in a setting with a strong local identity. Its gently sloping surface and irregular shape give it an honest, natural character, and it has direct road access. Beyond the village, the surroundings invite you outdoors. The Solea Reservoir and nearby parks are a short drive away, as are the neighbouring villages of Korakou and Temvria and the charming Cyprus Train Museum. Further afield, the forests and trails of the Troodos National Forest Park make weekends in nature easy to reach, while petrol stations and a bus station keep practical needs covered. This sale is for a seven-eighths share of the land. For anyone drawn to authentic Cypriot village life, this is a welcoming place to put down roots, with the heart of Evrychou only a short walk away.
