Description
Everyday life comes easily from this 3-bedroom apartment in Kaimakli, Nicosia, where cafés, restaurants, supermarkets and schools are all within walking distance. Parks and green spaces sit close by too, along with a sports venue, so evening strolls and weekend plans start right at your door.

Inside, the open-plan living and dining room creates a sociable heart for the home, with the kitchen alongside. Three bedrooms give room for family, guests or a home office, and the main bedroom has its own en-suite shower room, with a second bathroom serving the rest of the household. Covered verandas add welcome space outdoors for morning coffee or relaxed evenings in the open air.

Set on the second floor of a three-storey residential building, it offers the convenience of apartment living with a neighbourhood feel. Medical centres, pharmacies and bus stations are a short drive away, and main roads are close at hand for getting across the city. This sale is for a one-sixth share of the property.

A practical, comfortable base in one of Kaimakli's most convenient pockets, with the best of city living just a short walk away.
