For Sale : **€ 80,000**

Description
Level ground, mature trees and a stream running along one edge give this field for sale in Panagia Evangelistria, Dali, a setting with real character. It lies in a quiet, sparsely built neighbourhood, yet restaurants, cafés and public service offices are all within walking distance.

The land is a generous, enclosed plot zoned for residential use, with space to picture a future home among the greenery. Its even surface makes it uncomplicated to imagine and to plan.

Everyday life is well served. The town centre, schools, supermarkets and petrol stations are a short drive away, as are neighbouring Nisou and Pera Chorio. Nearby motorway junctions put the centre of Nicosia within easy reach, so the calm of Dali never means being cut off from the capital.

This sale is for a half share of the field. It is a peaceful residential corner of Dali, with trees, a stream and the town close at hand.
