For Sale : **€ 38,000**

Description
Authentic Cypriot village life sets the tone for this residential field for sale in Peristerona, a community with a strong local identity and an easy, unhurried rhythm. Supermarkets and shops are within walking distance, while the village centre, schools, restaurants and cafés are all a short drive away.

The land covers a generous 3,122 m², with a neat rectangular shape and an even surface that make it simple to picture and plan. Its residential zoning points naturally towards a home, set among the familiar comforts of village living rather than dense urban development.

Beyond the everyday conveniences, there is a park nearby and neighbouring Orounta is a short drive away. The countryside opens up further at the Lefkovounos nature spot, while medical centres and motorway junctions are within a drive. Peristerona offers a slower pace without losing touch with daily essentials.

This sale is for a half share of the land. A level, well-proportioned plot on residential land, rooted in the authentic side of Cyprus.
