For Sale : **€ 21,000**

Description
An agricultural field for sale in Fikardou, Nicosia District, covering 10,034 m² of open countryside. The ground is uneven and the plot is irregular in shape, so it lends itself to farming or planting that follows the natural lie of the land.

The field lies within the Fikardou community, with the villages of Klirou, Kalo Chorio Oreinis and Politiko a short drive away and a petrol station close by. Main roads are a drive away, and the Nicosia–Limassol motorway is within reach in the wider region. This is a versatile piece of agricultural land, offering more than a hectare to farm or plant.
