

For Sale, Land, Field, Nicosia, Analiontas, 7,028m²

Open countryside, authentic village life and the green banks...

For Sale : **€ 75,000**

Description
Open countryside, authentic village life and the green banks of Tamasos Lake a short drive away. This field for sale in Analiontas offers a generous stretch of residential land on the edge of one of the Nicosia district's most characterful villages, where a home could take shape with room to breathe. The land has direct road access. Its irregular shape and uneven surface give it a natural, landscape-led feel rather than a flat suburban outline. Everyday needs stay within easy reach. Schools, supermarkets, cafés and restaurants are a short drive away, as are the neighbouring villages of Kataliontas and Kampia. The main roads and the Limassol - Nicosia Motorway are a drive away, so the capital and the coast both remain within comfortable range. Analiontas brings a slower pace and a close-knit community, with the lake and surrounding countryside close at hand for weekend walks. This sale is for a half share of the land. What it offers is a residential setting with genuine room to plan, surrounded by the authentic side of Cyprus.
