Description
Agricultural land in Pera, in the Nicosia countryside, offering a generous 24,762 m² of open ground for farming or planting. The field has sloping ground and an irregular outline, set in a landscape away from dense urban development.

The neighbouring villages of Tseri, Analiontas and Margi are a short drive away, as are petrol stations and main roads. The Nicosia–Limassol motorway and its junctions can be reached with a longer drive. This is a sizeable, versatile field of Pera farmland in an open countryside setting.
