Description
A field on the market in Vyzakia, Cyprus, offering 19733 m² of agricultural land in an open countryside setting. The ground has a smooth surface, and a rainwater stream runs along one boundary. As farmland, it suits farming or planting.

Vyzakia's village centre is a short drive away, as are the neighbouring villages of Potami and Pano Koutrafas. Main roads and the Astromeritis–Evrychou motorway are also within easy reach of the village, although the field itself has no direct road access. This sale is for a half share of the land. It is a sizeable, even stretch of farmland in the Nicosia countryside.
